To All of Our Families:

It's been wonderful seeing you and your children as the new school year began. Thank you for working with us as we start the school year.

On Thursday, September 14<sup>th</sup>, we will be holding our remote **Meet the Staff and Family Curriculum Conferences** on all grade levels. Please plan to attend these important conferences. Each teacher will be presenting at 4:30, 5:30 & 6:30. Teachers will repeat their presentations to give families the opportunity to attend more than one class presentation. The purpose of these meetings is to meet your children's teachers and get an overview of the goals for the grade in all subject areas, homework policy, materials used for instruction and other important items specific to each grade.

To logon to the **Meet the Staff and Family Curriculum Conferences** use your child's DOE email and sign into Google Meet. See the back of this letter for the codes to join the Curriculum Conferences for your child's class as well as Science, Physical Education, Social Studies teachers as well as other staff members.

Curriculum Conferences are not for the discussion of individual student progress. Parent-Teacher Conferences will be held on November 2<sup>nd</sup> to discuss individual student progress. If you need to meet with your child's teacher before these dates to discuss a specific concern, please contact the teacher and request an appointment. We look forward to meeting all parents at our **Meet the Staff and Parent Curriculum Conferences** on September 14<sup>th</sup> and throughout this school year.

As always, thank you for your cooperation as we work to support and educate all of our children.

Sincerely,
